In today's retail world, creative solutions are needed because it can't be done the way it used to. No more same old, same old – it's on to bigger and better. Come hear the tale of three projects that have used creativity, synergy and community to make their project a success. Our panelists will candidly share in-depth analysis of each project including:

- Project history
- Design and construction approach
- Challenges and solutions
- Economic impact and financing
- Tenant diversity and outcome
- And more.....
