

2019 State of Retail - Retail Tournament of Champions

The Minnesota Shopping Center Association's Research Committee proudly presents the annual "State of Retail - Retail Tournament of Champions". Join us as the speakers will address current development/redevelopment, the investment market, and retailer activity from the past year and what's to come.

In addition, network with industry colleagues during the interactive "Retail Tournament of Champions", which tests your knowledge on Minnesota retail happenings including expansions, bankruptcies, new retailers, vacancy rates, new development, economics and more!

We then welcome everyone to join us after the program for a networking social hour including appetizers and a cash bar. Don't miss out on the fun!
