Retail Developments: The Evolution of Minneapolis, Edina and Saint Paul

There are many things driving change in today's retail developments. It is factors such as strategic company decisions, evolving neighborhoods, trends, politics, tenant mix and new processes. It's complicated and ever changing. Join us as our panel of experts share their insight and expertise on the North Loop/NE Minneapolis, 50th & France, and the Saint Paul neighborhoods.

They will give an update on their retail developments and then dig deeper in an interactive format addressing topics such as:

- How has your neighborhood changed over the years?
- What is the biggest threat in today's environment?
- How important is identity to your area's success?
- Organic investment vs City investment?
- Municipal support and the consequences?
- Security and more...
