

Understanding Current Business Trends and Challenges in Minnesota's Economy

Do you want to know what the Federal Reserve Bank does? Are you curious about how Minnesota's economy compares to the national economy? If so, then join us as Fed expert Ron Wirtz will discuss the current state of the Minnesota and broader regional economy; the challenges of the present environment; and the special role of labor force in long-term economic growth. Using an interactive survey, Ron will also gauge attendees' sentiment regarding recent business activity, hiring demand, labor availability, inflation, outlook and other issues. Join us for this informative program as we learn how the Federal Reserve Bank serves the public by pursuing a growing economy and a stable financial system that benefits everyone.
