As we have witnessed over the last two weeks, there is hurt in our community. We want our members to know MSCA stands with you. To our colleagues, friends and communities of color who suffer from racial inequality, social injustice, and police brutality: we know you are in pain. **We see you, we hear you, and we stand with you.** To our neighbors, businesses, and communities that have been vandalized, damaged, and destroyed: we know you are in pain. **We see you, we hear you, and we stand with you.** To those impacted by the aftershock of Covid-19: we know you are hurting. **We see you, we hear you, and we stand with you.** MSCA is here to support every one of its members. Please, if you have been impacted by the events of the last few weeks, reach out to us. We want to hear from you. Tell us how we can be of service. It is only by standing together that we can heal. **We are all in this together, and together we will stand strong.**

Welcome to MSCA's eleventh edition of MSCA United. During these times of uncertainty, MSCA wants to offer its members a weekly resource. Each edition will be posted on the MSCA website under the Resources Tab as MSCA United - Special Editions.

Now is your chance to share the great things that are happening at your company!
